

Hi All,

Thanks for coming along to our event and I hope you all enjoyed the different challenge of a Photo-O.

The rain managed to get it's thing over and done with in the morning and so left our runners with a dry afternoon, so we were all very happy with that.

There were some terrific results, including Gwenn, Liz and Hannah who managed to clear the 60 minute course, albeit, with a little guess work at the end. This pushed a great run by David into 2nd place. Meanwhile Gwen and Sam put in a fantastic performance and scored 70 points to win the 30 minute course, well done to them!

There was much discussion at the end about being able spot various controls with one or two competitors forgetting the instructions of looking up and down as well as around, this making the difference, but I think that everyone enjoyed this slightly different take on orienteering.

There are a few spare maps left over, so if anyone would like to have a go at Bangor Photo-O, contact me at mike.snell22@gmail.com for a map.

Here are the results:
